

# Positional Investment Course

BY TOD

[www.TradeOnData.com](http://www.TradeOnData.com)

## **Learn the art of positional trading to create wealth.**

Through TOD Positional Investment structured course, interactive instructions, and dedicated support you will learn technical analysis whether it's trading for short-term income or investing for long-term wealth creation.

After learning and practicing this course, you will be able to generate a consistent income for the rest of your life. This course starts from the beginner level and takes you to a professional level trader. It requires a lot of nurturing and hand-holding, Hence after completion of intense 4 Weeks of training, you will be able to identify and trade in positional stocks. Members will also be provided with powerful Market Screeners designed to scan hundreds of stocks identifying high-quality trading and investing opportunities while allowing Members to optimize their precious time.

Members are also provided with powerful Market Screeners designed to scan hundreds of stocks identifying high-quality trading and investing opportunities while allowing Members to optimize their precious time.
